
Shanghai University

Shanghai University is one of the 100 key universities in China's "211" project. It's a comprehensive university with rich diversity of disciplines. Since 1966 when the College of International Exchange began to enroll international students, more than 10,000 international students from 110 countries have completed their studies at this university. Besides the Chinese study, many of them have received Bachelor's, Master's or Doctor's Degree in different subjects or disciplines. The total number of international student had reached to 2676 in the year 2008.

Bachelor's Degree (4 Years)

1. Finance
 2. International Economics & Trade
